

VIBES AND PRESSURE

VIBES AND PRESSURE IS A CONSCIOUS COLLECTIVE OF TALENTED ARTISTS AND VISIONARIES, WITH A COMMON GOAL TO UPLIFT THROUGH MUSIC.

This movement was founded by singer-songwriter and producer Natty, on the principle that by harnessing creative vibes and applying a little pressure, positive change happens. Vibes and Pressure has sought to bring inspiration to communities and youth through the power of music. Hosting a wide range of events and workshops, tailored to interact with participants from a wide range of backgrounds, and cultures. Primarily focusing on and engaging with disadvantaged youth in the UK and Africa.

Via word-of-mouth, the Vibes and Pressure events have grown over the years to become a scene within itself. The signature event has been running monthly for over 3 years and has helped to discover some of the best talent in the UK. As of this summer the movement

officially began it's first steps as a record label.

The first release is aptly titled 'Vibes and Pressure Volume One'. A compilation album of 15 songs by the freshest ensemble of groundbreaking London-based musicians. Each bringing their own unique message and forming part of the V&P family.

Vibes and Pressure records has sold 3000 albums in its first 4 months via street-sales alone, fusing genres and styles every song shares an upfulness and warm sonic resonance.

Looking forward to 2015 the label plans to release Natty's 2nd album followed with projects by JJ soulx, Subajah and RUIFam as well as other artists on the compilation.

Vibes and Pressure continues to build on the community works in the UK and Africa including building a school in Gambia. Also through workshops and seminars the team continue to uplift and inspire everyone that tunes in to the vibes and pressure frequency.
